(d) Notwithstanding the enhancement set forth in subdivision (a), any person who is not personally armed with a firearm who, knowing that another principal is personally armed with a firearm, is a principal in the commission of an offense or attempted offense specified in subdivision (c), shall be punished by an additional and consecutive term of imprisonment in the state prison for one, two, or three years.

(e) For purposes of imposing an enhancement under Section 1170.1, the enhancements under this section shall count as one, single enhancement.

(f) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in subdivision (c) or (d) in an unusual case where the interests of justice would best be served, if the court specifies on the record and enters into the minutes the circumstances indicating that the interests of justice would best be served by that disposition.

12022.1. (a) For the purposes of this section only:

(1) “Primary offense” means a felony offense for which a person has been released from custody on bail or on his or her own recognizance prior to the judgment becoming final, including the disposition of any appeal, or for which release on bail or his or her own recognizance has been revoked. In cases where the court has granted a stay of execution of a county jail commitment or state prison commitment, “primary offense” also means a felony offense for which a person is out of custody during the period of time between the pronouncement of judgment and the time the person actually surrenders into custody or is otherwise returned to custody.

(2) “Secondary offense” means a felony offense alleged to have been committed while the person is released from custody for a primary offense.

(b) Any person arrested for a secondary offense which was alleged to have been committed while that person was released from custody on a primary offense shall be subject to a penalty enhancement of an additional two years in state prison which shall be served consecutive to any other term imposed by the court.

(c) The enhancement allegation provided in subdivision (b) shall be pleaded in the information or indictment which alleges the secondary offense, or in the information or indictment of the primary offense if a conviction has already occurred in the secondary offense, and shall be proved as provided by law. The enhancement allegation may be pleaded in a complaint but need not be proved at the preliminary hearing or grand jury hearing.

(d) Whenever there is a conviction for the secondary offense and the enhancement is proved, and the person is sentenced on the secondary offense prior to the conviction of the primary offense, the imposition of the enhancement shall be stayed pending imposition of the sentence for the

primary offense. The stay shall be lifted by the court hearing the primary offense at the time of sentencing for that offense and shall be recorded in the abstract of judgment. If the person is acquitted of the primary offense the stay shall be permanent.

(e) If the person is convicted of a felony for the primary offense, is sentenced to state prison for the primary offense, and is convicted of a felony for the secondary offense, any state prison sentence for the secondary offense shall be consecutive to the primary sentence.

(f) If the person is convicted of a felony for the primary offense, is granted probation for the primary offense, and is convicted of a felony for the secondary offense, any state prison sentence for the secondary offense shall be enhanced as provided in subdivision (b).

(g) If the primary offense conviction is reversed on appeal, the enhancement shall be suspended pending retrial of that felony. Upon retrial and reconviction, the enhancement shall be reimposed. If the person is no longer in custody for the secondary offense upon reconviction of the primary offense, the court may, at its discretion, reimpose the enhancement and order him or her recommitted to custody.

12022.2. (a) Any person who, while armed with a firearm in the commission or attempted commission of any felony, has in his or her immediate possession ammunition for the firearm designed primarily to penetrate metal or armor, shall upon conviction of that felony or attempted felony, in addition and consecutive to the punishment prescribed for the felony or attempted felony, be punished by an additional term of 3, 4, or 10 years. The court shall order the middle term unless there are circumstances in aggravation or mitigation. The court shall state the reasons for its enhancement choice on the record at the time of the sentence.

(b) Any person who wears a body vest in the commission or attempted commission of a violent offense, as defined in Section 29905, shall, upon conviction of that felony or attempted felony, in addition and consecutive to the punishment prescribed for the felony or attempted felony of which he or she has been convicted, be punished by an additional term of one, two, or five years. The court shall order the middle term unless there are circumstances in aggravation or mitigation. The court shall state the reasons for its enhancement choice on the record at the time of the sentence.

(c) As used in this section, “body vest” means any bullet-resistant material intended to provide ballistic and trauma protection for the wearer.

(d) This section shall become operative on January 1, 2011.

12022.3. For each violation of Section 220 involving a specified sexual offense, or for each violation or attempted violation of Section 261, 262, 264.1, 286, 288, 288a, or 289, and in addition to the sentence provided, any person shall receive the following:

The court shall order the middle term unless there are circumstances in aggravation or mitigation. The court shall state the reasons for its enhancement choice on the record at the time of the sentence. The additional term provided in this section shall not be imposed unless the fact of the furnishing is charged in the accusatory pleading and admitted or found to be true by the trier of fact.

(b) This section shall become operative on January 1, 2011.

12022.5. (a) Except as provided in subdivision (b), any person who personally uses a firearm in the commission of a felony or attempted felony shall be punished by an additional and consecutive term of imprisonment in the state prison for 3, 4, or 10 years, unless use of a firearm is an element of that offense.

(c) Notwithstanding Section 1385 or any other provisions of law, the court shall not strike an allegation under this section or a finding bringing a person within the provisions of this section.

(d) Notwithstanding the limitation in subdivision (a) relating to being an element of the offense, the additional term provided by this section shall be imposed for any violation of Section 245 if a firearm is used, or for murder if the killing is perpetrated by means of shooting a firearm from a motor vehicle, intentionally at another person outside of the vehicle with the intent to inflict great bodily injury or death.

(e) When a person is found to have personally used a firearm, an assault weapon, a machinegun, or a .50 BMG rifle, in the commission of a felony or attempted felony as provided in this section and the firearm, assault weapon, machinegun, or a .50 BMG rifle, is owned by that person, the court shall order that the firearm be deemed a nuisance and disposed of in the manner provided in Sections 18000 and 18005.

(b) Notwithstanding any other provision of law, any person who, in the commission of a felony specified in subdivision (a), personally uses a firearm, shall be punished by an additional and consecutive term of imprisonment in the state prison for 10 years. The firearm need not be operable or loaded for this enhancement to apply.

(c) Notwithstanding any other provision of law, any person who, in the commission of a felony specified in subdivision (a), personally and intentionally discharges a firearm, shall be punished by an additional and consecutive term of imprisonment in the state prison for 20 years.

(d) Notwithstanding any other provision of law, any person who, in the commission of a felony specified in subdivision (a), Section 246, or subdivision (c) or (d) of Section 26100, personally and intentionally discharges a firearm and proximately causes great bodily injury, as defined in Section 12022.7, or death, to any person other than an accomplice, shall be punished by an additional and consecutive term of imprisonment in the state prison for 25 years to life.

(e) (1) The enhancements provided in this section shall apply to any person who is a principal in the commission of an offense if both of the following are pled and proved:

(A) The person violated subdivision (b) of Section 186.22.

(B) Any principal in the offense committed any act specified in subdivision (b), (c), or (d).

(2) An enhancement for participation in a criminal street gang pursuant to Chapter 11 (commencing with Section 186.20) of Title 7 of Part 1 shall not be imposed on a person in addition to an enhancement imposed pursuant to this subdivision, unless the person personally used or personally discharged a firearm in the commission of the offense.

(f) Only one additional term of imprisonment under this section shall be imposed per person for each crime. If more than one enhancement per person is found true under this section, the court shall impose upon that person the enhancement that provides the longest term of imprisonment. An enhancement involving a firearm specified in Section 12021.5, 12022,

12022.3, 12022.4, 12022.5, or 12022.55 shall not be imposed on a person in addition to an enhancement imposed pursuant to this section. (j) For the penalties in this section to apply, the existence of any fact required under subdivision (b), (c), or (d) shall be alleged in the accusatory pleading and either admitted by the defendant in open court or found to be true by the trier of fact. When an enhancement specified in this section has been admitted or found to be true, the court shall impose punishment for that enhancement pursuant to this section rather than imposing punishment authorized under any other provision of law, unless another enhancement provides for a greater penalty or a longer term of imprisonment.

(k) When a person is found to have used or discharged a firearm in the commission of an offense that includes an allegation pursuant to this section and the firearm is owned by that person, a coparticipant, or a coconspirator, the court shall order that the firearm be deemed a nuisance and disposed of in the manner provided in Sections 18000 and 18005.

(l) The enhancements specified in this section shall not apply to the lawful use or discharge of a firearm by a public officer, as provided in Section 196, or by any person in lawful self-defense, lawful defense of another, or lawful defense of property, as provided in Sections 197, 198, and 198.5.

12022.55. 12022.6. (a) When any person takes, damages, or destroys any property in the commission or attempted commission of a felony, with the intent to cause that taking, damage, or destruction, the court shall impose an additional term as follows:

attempted felony of which the defendant has been convicted, shall impose an additional term of one year.

(2) If the loss exceeds two hundred thousand dollars (\$200,000), the court, in addition and consecutive to the punishment prescribed for the felony or attempted felony of which the defendant has been convicted, shall impose an additional term of two years.

(3) If the loss exceeds one million three hundred thousand dollars (\$1,300,000), the court, in addition and consecutive to the punishment prescribed for the felony or attempted felony of which the defendant has been convicted, shall impose an additional term of three years.

(4) If the loss exceeds three million two hundred thousand dollars (\$3,200,000), the court, in addition and consecutive to the punishment prescribed for the felony or attempted felony of which the defendant has been convicted, shall impose an additional term of four years.

(b) In any accusatory pleading involving multiple charges of taking, damage, or destruction, the additional terms provided in this section may be imposed if the aggregate losses to the victims from all felonies exceed the amounts specified in this section and arise from a common scheme or plan. All pleadings under this section shall remain subject to the rules of joinder and severance stated in Section 954.

(c) The additional terms provided in this section shall not be imposed unless the facts of the taking, damage, or destruction in excess of the amounts provided in this section are charged in the accusatory pleading and admitted or found to be true by the trier of fact.

(e) For the purposes of this section, the term “loss” has the following meanings:

(1) When counterfeit items of computer software are manufactured or possessed for sale, the “loss” from the counterfeiting of those items shall be equivalent to the retail price or fair market value of the true items that are counterfeited.

(2) When counterfeited but unassembled components of computer software packages are recovered, including, but not limited to, counterfeited computer diskettes, instruction manuals, or licensing envelopes, the “loss” from the counterfeiting of those components of computer software packages shall be equivalent to the retail price or fair market value of the number of completed computer software packages that could have been made from those components.

(f) It is the intent of the Legislature that the provisions of this section be reviewed within 10 years to consider the effects of inflation on the additional terms imposed. For that reason this section shall remain in effect only until January 1, 2018, and as of that date is repealed unless a later enacted statute, which is enacted before January 1, 2018, deletes or extends that date.

(f) As used in this section, “great bodily injury” means a significant or substantial physical injury.

(g) This section shall not apply to murder or manslaughter or a violation of Section 451 or 452. Subdivisions (a), (b), (c), and (d) shall not apply if infliction of great bodily injury is an element of the offense.

(h) The court shall impose the additional terms of imprisonment under either subdivision (a), (b), (c), or (d), but may not impose more than one of those terms for the same offense.

12022.75. (a) Except as provided in subdivision (b), any person who, for the purpose of committing a felony, administers by injection, inhalation, ingestion, or any other means, any controlled substance listed in Section 11054, 11055, 11056, 11057, or 11058 of the Health and Safety Code, against the victim’s will by means of force, violence, or fear of immediate and unlawful bodily injury to the victim or another person, shall, in addition and consecutive to the penalty provided for the felony or attempted felony of which he or she has been convicted, be punished by an additional term of three years.

(a) A judicial decision interpreting a previously existing provision is relevant in interpreting any provision of this part, of Title 2 (commencing with Section 12001) of Part 4, or any other provision of the Deadly Weapons Recodification Act of 2010, which restates and continues that previously existing provision.

(b) However, in enacting the Deadly Weapons Recodification Act of 2010, the Legislature has not evaluated the correctness of any judicial decision interpreting a provision affected by the act.

(c) The Deadly Weapons Recodification Act of 2010 is not intended to, and does not, reflect any assessment of any judicial decision interpreting any provision affected by the act.

(a) A judicial decision determining the constitutionality of a previously existing provision is relevant in determining the constitutionality of any provision of this part, of Title 2 (commencing with Section 12001) of Part 4, or any other provision of the Deadly Weapons Recodification Act of 2010, which restates and continues that previously existing provision.

(b) However, in enacting the Deadly Weapons Recodification Act of 2010, the Legislature has not evaluated the constitutionality of any provision affected by the act, or the correctness of any judicial decision determining the constitutionality of any provision affected by the act.

CHAPTER 2. PROCEDURE WHERE AGENCY BELIEVES RETURN OF WEAPON
WOULD CREATE DANGER

18400. (a) When a law enforcement agency has reasonable cause to believe that the return of a firearm or other deadly weapon seized under this division would be likely to result in endangering the victim or the person who reported the assault or threat, the agency shall so advise the owner of the firearm or other deadly weapon, and within 60 days of the date of seizure, initiate a petition in superior court to determine if the firearm or other deadly weapon should be returned.

(b) The law enforcement agency may make an ex parte application stating good cause for an order extending the time to file a petition.

(c) Including any extension of time granted in response to an ex parte request, a petition must be filed within 90 days of the date of seizure of the firearm or other deadly weapon.

18405. (a) If a petition is filed under Section 18400, the law enforcement agency shall inform the owner or person who had lawful possession of the firearm or other deadly weapon, at that person's last known address, by registered mail, return receipt requested, that the person has 30 days from the date of receipt of the notice to respond to the court clerk to confirm the person's desire for a hearing, and that the failure to respond shall result in a default order forfeiting the confiscated firearm or other deadly weapon.

(b) For purposes of this section, the person's last known address shall be presumed to be the address provided to the law enforcement officer by that person at the time of the family violence incident.

(c) In the event the person whose firearm or other deadly weapon was seized does not reside at the last address provided to the agency, the agency shall make a diligent, good faith effort to learn the whereabouts of the person and to comply with these notification requirements.

(c) Unless it is shown by a preponderance of the evidence that the return of the firearm or other deadly weapon would result in endangering the victim or the person reporting the assault or threat, the court shall order the return of the firearm or other deadly weapon and shall award reasonable attorney's fees to the prevailing party.

18415. If the person who receives a petition under Section 18405 does not request a hearing or does not otherwise respond within 30 days of the receipt of the notice, the law enforcement agency may file a petition for an

order of default and may dispose of the firearm or other deadly weapon as provided in Sections 18000 and 18005.

18420. (a) If, at a hearing under Section 18410, the court does not order the return of the firearm or other deadly weapon to the owner or person who had lawful possession, that person may petition the court for a second hearing within 12 months from the date of the initial hearing.

(b) If there is a petition for a second hearing, unless it is shown by clear and convincing evidence that the return of the firearm or other deadly weapon would result in endangering the victim or the person reporting the assault or threat, the court shall order the return of the firearm or other deadly weapon and shall award reasonable attorney's fees to the prevailing party.

(c) If the owner or person who had lawful possession does not petition the court within this 12-month period for a second hearing or is unsuccessful at the second hearing in gaining return of the firearm or other deadly weapon, the firearm or other deadly weapon may be disposed of as provided in Sections 18000 and 18005.

CHAPTER 3. PERMITS

23000. 23025. A permit issued in accordance with this chapter may be revoked or suspended by the issuing authority at any time when it appears that the need for the possession or transportation of the tear gas or tear gas weapon or protective system involving the use thereof, has ceased, or that the holder of the permit has engaged in an unlawful business or occupation or has wrongfully made use of the tear gas or tear gas weapon or the permit issued.

TITLE 4. FIREARMS

DIVISION 1. PRELIMINARY PROVISIONS

23500. The provisions listed in Section 16580 shall be known and may be cited as "The Dangerous Weapons Control Law."

23505. If any section, subsection, sentence, clause, or phrase of any provision listed in Section 16580 is for any reason held unconstitutional, that decision does not affect the validity of any other provision listed in Section 16580. The Legislature hereby declares that it would have passed the provisions listed in Section 16580 and each section, subsection, sentence, clause, and phrase of it, irrespective of the fact that any one or more other sections, subsections, sentences, clauses, or phrases be declared unconstitutional.

23510. For purposes of Sections 25400 and 26500, Sections 27500 to 27590, inclusive, Section 28100, Sections 29610 to 29750, inclusive, Sections 29800 to 29905, inclusive, and Section 31615 of this code, and any provision listed in subdivision (a) of Section 16585 of this code, and Sections 8100, 8101, and 8103 of the Welfare and Institutions Code, notwithstanding the fact that the term “any firearm” may be used in those sections, each firearm or the frame or receiver of each firearm constitutes a distinct and separate offense under those sections.

23515. As used in the provisions listed in Section 16580, an offense that involves the violent use of a firearm includes any of the following:

- (a) A violation of paragraph (2) or (3) of subdivision (a) of Section 245 or a violation of subdivision (d) of Section 245.
- (b) A violation of Section 246.
- (c) A violation of paragraph (2) of subdivision (a) of Section 417.
- (d) A violation of subdivision (c) of Section 417.

23520. Each application that requires any firearms eligibility determination involving the issuance of any license, permit, or certificate pursuant to this part shall include two copies of the applicant’s fingerprints on forms prescribed by the Department of Justice. One copy of the fingerprints may be submitted to the United States Federal Bureau of Investigation.

DIVISION 2. FIREARM SAFETY DEVICES, GUN SAFES, AND RELATED WARNINGS

23620. This division and Sections 16540, 16610, and 16870 shall be known and may be cited as the “Aroner-Scott-Hayden Firearms Safety Act of 1999.”

23625. The Legislature makes the following findings:

- (a) In the years 1987 to 1996, nearly 2,200 children in the United States under the age of 15 years died in unintentional shootings. In 1996 alone, 138 children were shot and killed unintentionally. Thus, more than 11 children every month, or one child every three days, were shot or killed unintentionally in firearms-related incidents.
- (b) The United States leads the industrialized world in the rates of children and youth lost to unintentional, firearms-related deaths. A 1997 study from the federal Centers for Disease Control and Prevention reveals that for unintentional firearm-related deaths for children under the age of 15, the

rate in the United States was nine times higher than in 25 other industrialized countries combined.

(c) While the number of unintentional deaths from firearms is an unacceptable toll on America's children, nearly eight times that number are treated in U.S. hospital emergency rooms each year for nonfatal unintentional gunshot wounds.

(d) A study of unintentional firearm deaths among children in California found that unintentional gunshot wounds most often involve handguns.

(e) A study in the December 1995 issue of the Archives of Pediatric and Adolescent Medicine found that children as young as three years old are strong enough to fire most commercially available handguns. The study revealed that 25 percent of three to four year olds and 70 percent of five to six year olds had sufficient finger strength to fire 59 (92 percent) of the 64 commonly available handguns referenced in the study.

(f) The Government Accounting Office (GAO), in its March 1991 study, "Accidental Shootings: Many Deaths and Injuries Caused by Firearms Could be Prevented," estimates that 31 percent of accidental deaths caused by firearms might be prevented by the addition of two safety devices: a child-resistant safety device that automatically engages and a device that indicates whether the gun is loaded. According to the study results, of the 107 unintentional firearms-related fatalities the GAO examined for the calendar years 1988 and 1989, 8 percent could have been prevented had the firearm been equipped with a child-resistant safety device. This 8 percent represents instances in which children under the age of six unintentionally shot and killed themselves or other persons.

(g) Currently, firearms are the only products manufactured in the United States that are not subject to minimum safety standards.

(h) A 1997 public opinion poll conducted by the National Opinion Research Center at the University of Chicago in conjunction with the Johns Hopkins Center for Gun Policy and Research found that 74 percent of Americans support safety regulation of the firearms industry.

(i) Some currently available trigger locks and other similar devices are inadequate to prevent the accidental discharge of the firearms to which they are attached, or to prevent children from gaining access to the firearm.

23630. (a) This division does not apply to the commerce of any antique firearm.

(b) (1) This division does not apply to the commerce of any firearm intended to be used by a salaried, full-time peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2, for purposes of law enforcement.

(2) Nothing in this division precludes a local government, local agency, or state law enforcement agency from requiring its peace officers to store their firearms in gun safes or attach firearm safety devices to those firearms.

23635. (a) Any firearm sold or transferred in this state by a licensed firearms dealer, including a private transfer through a dealer, and any firearm manufactured in this state, shall include or be accompanied by a firearm safety device that is listed on the Department of Justice's roster of approved

firearm safety devices and that is identified as appropriate for that firearm by reference to either the manufacturer and model of the firearm, or to the physical characteristics of the firearm that match those listed on the roster for use with the device.

(b) The sale or transfer of a firearm shall be exempt from subdivision (a) if both of the following apply:

(1) The purchaser or transferee owns a gun safe that meets the standards set forth in Section 23650. Gun safes shall not be required to be tested, and therefore may meet the standards without appearing on the Department of Justice roster.

(2) The purchaser or transferee presents an original receipt for purchase of the gun safe, or other proof of purchase or ownership of the gun safe as authorized by the Attorney General, to the firearms dealer. The dealer shall maintain a copy of this receipt or proof of purchase with the dealer's record of sales of firearms.

(c) The sale or transfer of a firearm shall be exempt from subdivision (a) if all of the following apply:

(1) The purchaser or transferee purchases an approved safety device no more than 30 days prior to the day the purchaser or transferee takes possession of the firearm.

(2) The purchaser or transferee presents the approved safety device to the firearms dealer when picking up the firearm.

(3) The purchaser or transferee presents an original receipt to the firearms dealer, which shows the date of purchase, the name, and the model number of the safety device.

(4) The firearms dealer verifies that the requirements in paragraphs (1) to (3), inclusive, have been satisfied.

(5) The firearms dealer maintains a copy of the receipt along with the dealer's record of sales of firearms.

(d) (1) Any long-gun safe commercially sold or transferred in this state, or manufactured in this state for sale in this state, that does not meet the standards for gun safes adopted pursuant to Section 23650 shall be accompanied by the following warning:

“WARNING: This gun safe does not meet the safety standards for gun safes specified in California Penal Code Section 23650. It does not satisfy the requirements of Penal Code Section 23635, which mandates that all firearms sold in California be accompanied by a firearm safety device or proof of ownership, as required by law, of a gun safe that meets the Section 23650 minimum safety standards developed by the California Attorney General.”

(2) This warning shall be conspicuously displayed in its entirety on the principal display panel of the gun safe's package, on any descriptive materials that accompany the gun safe, and on a label affixed to the front of the gun safe.

(3) This warning shall be displayed in both English and Spanish, in conspicuous and legible type in contrast by typography, layout, or color with other printed matter on the package or descriptive materials, in a manner

consistent with Part 1500.121 of Title 16 of the Code of Federal Regulations, or successor regulations thereto.

(e) Any firearm sold or transferred in this state by a licensed firearms dealer, including a private transfer through a dealer, and any firearm manufactured in this state, shall be accompanied by warning language or a label as described in Section 23640.

23640. (a) The packaging of any firearm and any descriptive materials that accompany any firearm sold or transferred in this state, or delivered for sale in this state, by any licensed manufacturer, or licensed dealer, shall bear a label containing the following warning statement:

WARNING

Children are attracted to and can operate firearms that can cause severe injuries or death.

Prevent child access by always keeping guns locked away and unloaded when not in use. If you keep a loaded firearm where a child obtains and improperly uses it, you may be fined or sent to prison.

A yellow triangle containing an exclamation mark shall appear immediately before the word “Warning” on the label.

(b) If the firearm is sold or transferred without accompanying packaging, the warning label or notice shall be affixed to the firearm itself by a method to be prescribed by regulation of the Attorney General.

(c) The warning statement required under subdivisions (a) and (b) shall satisfy both of the following requirements:

(1) It shall be displayed in its entirety on the principal display panel of the firearm’s package, and on any descriptive materials that accompany the firearm.

(2) It shall be displayed in both English and Spanish, in conspicuous and legible type in contrast by typography, layout, or color with other printed matter on that package or descriptive materials, in a manner consistent with Part 1500.121 of Title 16 of the Code of Federal Regulations, or successor regulations thereto.

23645. (a) Any violation of Section 23635 or Section 23640 is punishable by a fine of one thousand dollars (\$1,000).

(b) On a second violation of any of those sections, a licensed firearm manufacturer shall be ineligible to manufacture, or a licensed firearm dealer shall be ineligible to sell, firearms in this state for 30 days, and shall be punished by a fine of one thousand dollars (\$1,000).

(c) (1) On a third violation of any of those sections, a firearm manufacturer shall be permanently ineligible to manufacture firearms in this state.

(2) On a third violation of any of those sections, a licensed firearm dealer shall be permanently ineligible to sell firearms in this state.

23650. (a) The Attorney General shall develop regulations to implement a minimum safety standard for firearm safety devices and gun safes to significantly reduce the risk of firearm-related injuries to children 17 years of age and younger. The final standard shall do all of the following:

- (1) Address the risk of injury from unintentional gunshot wounds.
 - (2) Address the risk of injury from self-inflicted gunshot wounds by unauthorized users.
 - (3) Include provisions to ensure that all firearm safety devices and gun safes are reusable and of adequate quality and construction to prevent children and unauthorized users from firing the firearm and to ensure that these devices cannot be readily removed from the firearm or that the firearm cannot be readily removed from the gun safe except by an authorized user utilizing the key, combination, or other method of access intended by the manufacturer of the device.
 - (4) Include additional provisions as appropriate.

It is the Legislature's intent that a parent or guardian of a child who is injured or who dies as the result of an accidental shooting shall be prosecuted only in those instances in which the parent or guardian behaved in a grossly negligent manner or where similarly egregious circumstances exist. This section shall not otherwise restrict, in any manner, the factors that a district attorney may consider when deciding whether to prosecute an alleged violation of Section 25100.

25120. 25125. (a) The fact that a person who allegedly violated Section 25100 attended a firearm safety training course prior to the purchase of the firearm that was obtained by a child in violation of Section 25100 shall be considered

a mitigating factor by a district attorney when deciding whether to prosecute the alleged violation.

(b) In any action or trial commenced under Section 25100, the fact that the person who allegedly violated Section 25100 attended a firearm safety training course prior to the purchase of the firearm that was obtained by a child in violation of Section 25100 is admissible.

(c) A pistol, revolver, or other firearm capable of being concealed upon the person that a child gains access to and carries off-premises in violation of this section shall be deemed "used in the commission of any misdemeanor as provided in this code or any felony" for the purpose of Section 29300 regarding the authority to confiscate firearms and other deadly weapons as a nuisance.

(d) As used in this section, “off-premises” means premises other than the premises where the firearm was stored.

(g) The person who keeps a firearm has no reasonable expectation, based on objective facts and circumstances, that a child is likely to be present on the premises.

25210. If a person who allegedly violated Section 25200 is the parent or guardian of a child who is injured or who dies as the result of an accidental shooting, the district attorney shall consider, among other factors, the impact of the injury or death on the person alleged to have violated Section 25200 when deciding whether to prosecute the alleged violation. It is the Legislature’s intent that a parent or guardian of a child who is injured or who dies as the result of an accidental shooting shall be prosecuted only in those instances in which the parent or guardian behaved in a grossly negligent manner or where similarly egregious circumstances exist. This section shall not otherwise restrict, in any manner, the factors that a district attorney may consider when deciding whether to prosecute alleged violations of Section 25200.

25215. (a) If a person who allegedly violated Section 25200 is the parent or guardian of a child who was injured or who died as the result of an accidental shooting, no arrest of the person for the alleged violation of Section 25200 shall occur until at least seven days after the date upon which the accidental shooting occurred.

(b) In addition to the limitation contained in subdivision (a), before arresting a person for a violation of Section 25200, a law enforcement officer shall consider the health status of a child who suffers great bodily injury as the result of an accidental shooting, if the person to be arrested is the parent or guardian of the injured child. The intent of this section is to encourage law enforcement officials to delay the arrest of a parent or guardian of a seriously injured child while the child remains on life-support equipment or is in a similarly critical medical condition.

25220. (a) The fact that the person who allegedly violated Section 25200 attended a firearm safety training course prior to the purchase of the firearm

that is obtained by a child in violation of Section 25200 shall be considered a mitigating factor by a district attorney when deciding whether to prosecute the alleged violation.

(b) In any action or trial commenced under Section 25200, the fact that the person who allegedly violated Section 25200 attended a firearm safety training course prior to the purchase of the firearm that was obtained by a child in violation of Section 25200 is admissible.

25225. Every person licensed under Sections 26700 to 26915, inclusive, shall post within the licensed premises the notice required by Section 26835, disclosing the duty imposed by this chapter upon any person who keeps any firearm.

This subdivision may not apply when the circumstances involve a mutual restraining order issued pursuant to Division 10 (commencing with Section 6200) of the Family Code absent a factual finding of a specific threat to the person's life or safety. It is not the intent of the Legislature to limit, restrict, or narrow the application of current statutory or judicial authority to apply this or other justifications to a defendant charged with violating Section 25400 or committing another similar offense. Upon trial for violating Section 25850, the trier of fact shall determine whether the defendant was acting out of a reasonable belief that the defendant was in grave danger.

(c) As used in this section, "immediate" means the brief interval before and after the local law enforcement agency, when reasonably possible, has been notified of the danger and before the arrival of its assistance.

(3) No license shall be issued by any licensing authority until after receipt of the report from the department.

(b) Notwithstanding subdivision (a), if the license applicant has previously applied to the same licensing authority for a license to carry firearms pursuant to this article and the applicant's fingerprints and fee have been previously forwarded to the Department of Justice, as provided by this section, the licensing authority shall note the previous identification numbers and other data that would provide positive identification in the files of the Department of Justice on the copy of any subsequent license submitted to the department in conformance with Section 26225 and no additional application form or fingerprints shall be required.

(c) If the license applicant has a license issued pursuant to this article and the applicant's fingerprints have been previously forwarded to the Department of Justice, as provided in this section, the licensing authority shall note the previous identification numbers and other data that would provide positive identification in the files of the Department of Justice on the copy of any subsequent license submitted to the department in conformance with Section 26225 and no additional fingerprints shall be required.

26205. The licensing authority shall give written notice to the applicant indicating if the license under this article is approved or denied. The licensing authority shall give this notice within 90 days of the initial application for a new license or a license renewal, or 30 days after receipt of the applicant's criminal background check from the Department of Justice, whichever is later.

(1) The licensee has not breached any of the conditions or restrictions set forth in the license.

(2) The licensee has not become prohibited by state or federal law from possessing, receiving, owning, or purchasing a firearm.

(b) If the licensing authority amends the license, a new license shall be issued to the licensee reflecting the amendments.

(c) An amendment to the license does not extend the original expiration date of the license and the license shall be subject to renewal at the same time as if the license had not been amended.

(d) An application to amend a license does not constitute an application for renewal of the license.

26220. (a) Except as otherwise provided in this section and in subdivision (c) of Section 26210, a license issued pursuant to Section 26150 or 26155 is valid for any period of time not to exceed two years from the date of the license.

(e) A license issued pursuant to Section 26170 to a peace officer appointed pursuant to Section 830.6 is valid for any period of time not to exceed four years from the date of the license, except that the license shall be invalid upon the conclusion of the person's appointment pursuant to Section 830.6

(1) Finds by a preponderance of the evidence that the petitioner is likely to use a firearm in a safe and lawful manner.

(2) Finds that the petitioner is not within a prohibited class as specified in Section 29815, 29820, 29825, or 29900, or subdivision (a) or (b) of Section 29800, and the court is not presented with any credible evidence that the petitioner is a person described in Section 8100 or 8103 of the Welfare and Institutions Code.

(3) Finds that the petitioner does not have a previous conviction under Section 29805, no matter when the prior conviction occurred.

(e) In making its decision, the court may consider the interest of justice, any relevant evidence, and the totality of the circumstances. It is the intent of the Legislature that courts exercise broad discretion in fashioning appropriate relief under this section in cases in which relief is warranted. However, nothing in this section shall be construed to require courts to grant relief to any particular petitioner.

29865. Law enforcement officials who enforce the prohibition specified in Section 29805 against a person who has been granted relief pursuant to Section 29855 or 29860 shall be immune from any liability for false arrest arising from the enforcement of Section 29805 unless the person has in possession a certified copy of the court order that granted the person relief from the prohibition. CHAPTER 2. ASSAULT WEAPONS AND .50 BMG RIFLES

Article 1. General Provisions

30500. This chapter shall be known as the Roberti-Roos Assault Weapons Control Act of 1989 and the .50 Caliber BMG Regulation Act of 2004.

30505. (a) The Legislature hereby finds and declares that the proliferation and use of assault weapons poses a threat to the health, safety, and security of all citizens of this state. The Legislature has restricted the assault weapons specified in Section 30510 based upon finding that each firearm has such a high rate of fire and capacity for firepower that its function as a legitimate sports or recreational firearm is substantially outweighed by the danger that it can be used to kill and injure human beings. It is the intent of the Legislature in enacting this chapter to place restrictions on the use of assault weapons and to establish a registration and permit procedure for their lawful sale and possession. It is not, however, the intent of the Legislature by this chapter to place restrictions on the use of those weapons which are primarily designed and intended for hunting, target practice, or other legitimate sports or recreational activities.

(b) The Legislature hereby finds and declares that the proliferation and use of .50 BMG rifles poses a clear and present terrorist threat to the health, safety, and security of all residents of, and visitors to, this state, based upon findings that those firearms have such a high capacity for long distance and highly destructive firepower that they pose an unacceptable risk to the death and serious injury of human beings, destruction or serious damage of vital public and private buildings, civilian, police and military vehicles, power generation and transmission facilities, petrochemical production and storage facilities, and transportation infrastructure. It is the intent of the Legislature in enacting this chapter to place restrictions on the use of these rifles and to establish a registration and permit procedure for their lawful sale and possession.

(f) As used in this section, "series" includes all other models that are only variations, with minor differences, of those models listed in subdivision (a), regardless of the manufacturer.

30515. (a) Notwithstanding Section 30510, "assault weapon" also means any of the following:

31320. (a) Any person engaged in the manufacture or sale of body armor may apply to the Department of Justice for certification that a particular type of body armor manufactured or sold by that person is acceptable.

(b) The applicant shall reimburse the state for any actual expenses incurred by the state in testing and certifying a particular type of body armor.

31325. Any application submitted pursuant to Section 31320 shall contain all of the following:

- (a) Full written reports of any investigation conducted for the purpose of determining whether the body armor is acceptable.
- (b) A full written statement of the design of the body armor.
- (c) A full written statement of the methods used in, and the facilities and controls used for, the manufacture of the body armor.

31335. The Department of Justice shall issue an order refusing to certify a body armor as acceptable if, after due notice to the applicant, the department finds any of the following:

- (a) That the body armor does not satisfy the ballistic performance standards established by the department pursuant to subdivision (b) of Section 31315.
- (b) That the application contains any misrepresentation of a material fact.
- (c) That the application is materially incomplete.
- (d) That the applicant has failed to reimburse the state as required by Section 31320.

31340. The Department of Justice shall issue an order revoking certification of a body armor if, after due notice to the applicant, the department finds any of the following:

- (a) The experience or additional testing show that the body armor does not comply with the department's ballistic performance standards.
- (b) The application contains any misrepresentation of a material fact.
- (c) The body armor must be retested for certification under new department standards.

31345. (a) All purchases of certified body armor under the provisions of this chapter shall be made by the Department of General Services on behalf of an authorized state agency or department. 31350. The Department of General Services shall, pursuant to departmental regulation, after consultation with the Department of the California Highway Patrol, define the term "enforcement activities" for purposes of this chapter, and develop standards regarding what constitutes sufficient wear on body armor to necessitate replacement of the body armor.

31355. The Department of Justice shall adopt and promulgate regulations for the fair and efficient enforcement of this chapter.

31360. (b) A person whose employment, livelihood, or safety is dependent on the ability to legally possess and use body armor, who is subject to the prohibition imposed by subdivision (a) due to a prior violent felony conviction, may file a petition for an exception to this prohibition with the chief of police or county sheriff of the jurisdiction in which that person seeks to possess and use the body armor. The chief of police or sheriff may reduce or eliminate the prohibition, impose conditions on reduction or elimination of the prohibition, or otherwise grant relief from the prohibition as the chief of police or sheriff deems appropriate, based on the following:

(1) A finding that the petitioner is likely to use body armor in a safe and lawful manner.

(2) A finding that the petitioner has a reasonable need for this type of protection under the circumstances.

In making its decision, the chief of police or sheriff shall consider the petitioner's continued employment, the interests of justice, any relevant evidence, and the totality of the circumstances. It is the intent of the Legislature that law enforcement officials exercise broad discretion in fashioning appropriate relief under this paragraph in cases in which relief is warranted. However, this paragraph may not be construed to require law enforcement officials to grant relief to any particular petitioner. Relief from this prohibition does not relieve any other person or entity from any liability that might otherwise be imposed.

(c) The chief of police or sheriff shall require, as a condition of granting an exception under subdivision (b), that the petitioner agree to maintain on the petitioner's person a certified copy of the law enforcement official's permission to possess and use body armor, including any conditions or limitations.

(d) Law enforcement officials who enforce the prohibition specified in subdivision (a) against a person who has been granted relief pursuant to subdivision (b), shall be immune from any liability for false arrest arising from the enforcement of this subdivision unless the person has in possession a certified copy of the permission granting the person relief from the prohibition, as required by subdivision (c). This immunity from liability does not relieve any person or entity from any other liability that might otherwise be imposed.

Article 4. "Unsafe Handgun" and Related Definitions

31900. As used in this part, the "drop safety requirement for handguns" means that at the conclusion of the firing requirements for handguns described in Section 31905, the same certified independent testing laboratory shall subject the same three handguns of the make and model for which certification is sought, to the following test:

(a) A primed case (no powder or projectile) shall be inserted into the chamber. For a pistol, the slide shall be released, allowing it to move forward under the impetus of the recoil spring, and an empty magazine shall be inserted. For both a pistol and a revolver, the weapon shall be placed in a drop fixture capable of dropping the pistol from a drop height of 1m + 1cm (39.4 + 0.4 in.) onto the largest side of a slab of solid concrete having minimum dimensions of 7.5 x 15 x 15 cm (3 x 6 x 6 in.). The drop distance shall be measured from the lowermost portion of the weapon to the top surface of the slab. The weapon shall be dropped from a fixture and not from the hand. The weapon shall be dropped in the condition that it would be in if it were dropped from a hand (cocked with no manual safety applied).

If the pistol is designed so that upon leaving the hand a “safety” is automatically applied by the pistol, this feature shall not be defeated. An approved drop fixture is a short piece of string with the weapon attached at one end and the other end held in an air vise until the drop is initiated.

(b) The following six drops shall be performed:

- (1) Normal firing position with barrel horizontal.
- (2) Upside down with barrel horizontal.
- (3) On grip with barrel vertical.
- (4) On muzzle with barrel vertical.
- (5) On either side with barrel horizontal.

(6) If there is an exposed hammer or striker, on the rearmost point of that device, otherwise on the rearmost point of the weapon.

(c) The primer shall be examined for indentations after each drop. If indentations are present, a fresh primed case shall be used for the next drop.

(d) The handgun shall pass this test if each of the three test guns does not fire the primer.

31905. (a) As used in this part, “firing requirement for handguns” means a test in which the manufacturer provides three handguns of the make and model for which certification is sought to an independent testing laboratory certified by the Attorney General pursuant to Section 32010. These handguns may not be refined or modified in any way from those that would be made available for retail sale if certification is granted. The magazines of a tested pistol shall be identical to those that would be provided with the pistol to a retail customer.

(b) The test shall be conducted as follows:

(1) The laboratory shall fire 600 rounds from each gun, stopping after each series of 50 rounds has been fired for 5 to 10 minutes to allow the weapon to cool, stopping after each series of 100 rounds has been fired to tighten any loose screws and clean the gun in accordance with the manufacturer’s instructions, and stopping as needed to refill the empty magazine or cylinder to capacity before continuing.

(2) The ammunition used shall be of the type recommended by the handgun manufacturer in the user manual, or if none is recommended, any standard ammunition of the correct caliber in new condition that is commercially available.

(c) A handgun shall pass this test if each of the three test guns meets both of the following:

(1) Fires the first 20 rounds without a malfunction that is not due to ammunition that fails to detonate.

(2) Fires the full 600 rounds with no more than six malfunctions that are not due to ammunition that fails to detonate and without any crack or breakage of an operating part of the handgun that increases the risk of injury to the user.

(d) If a pistol or revolver fails the requirements of either paragraph (1) or (2) of subdivision (c) due to ammunition that fails to detonate, the pistol or revolver shall be retested from the beginning of the “firing requirement for handguns” test. A new model of the pistol or revolver that failed due to

ammunition that fails to detonate may be submitted for the test to replace the pistol or revolver that failed.

(e) As used in this section, “malfunction” means a failure to properly feed, fire, or eject a round, or failure of a pistol to accept or eject the magazine, or failure of a pistol’s slide to remain open after the magazine has been expended.

31910. As used in this part, “unsafe handgun” means any pistol, revolver, or other firearm capable of being concealed upon the person, for which any of the following is true:

(a) For a revolver:

(1) It does not have a safety device that, either automatically in the case of a double-action firing mechanism, or by manual operation in the case of a single-action firing mechanism, causes the hammer to retract to a point where the firing pin does not rest upon the primer of the cartridge.

(2) It does not meet the firing requirement for handguns.

(3) It does not meet the drop safety requirement for handguns.

(b) For a pistol:

(2) It does not meet the firing requirement for handguns.

(3) It does not meet the drop safety requirement for handguns.

(4) Commencing January 1, 2006, for a center fire semiautomatic pistol that is not already listed on the roster pursuant to Section 32015, it does not have either a chamber load indicator, or a magazine disconnect mechanism.

(B) The Attorney General may also approve a method of equal or greater reliability and effectiveness in identifying the specific serial number of a firearm from spent cartridge casings discharged by that firearm than that which is set forth in this paragraph, to be thereafter required as otherwise set forth by this paragraph where the Attorney General certifies that this new method is also unencumbered by any patent restrictions. Approval by

the Attorney General shall include notice of that fact via regulations adopted by the Attorney General for purposes of implementing that method for purposes of this paragraph.

(C) The microscopic array of characters required by this section shall not be considered the name of the maker, model, manufacturer's number, or other mark of identification, including any distinguishing number or mark assigned by the Department of Justice, within the meaning of Sections 23900 and 23920.

Article 5. Rules Governing Unsafe Handguns

32000. (a) Commencing January 1, 2001, any person in this state who manufactures or causes to be manufactured, imports into the state for sale, keeps for sale, offers or exposes for sale, gives, or lends any unsafe handgun shall be punished by imprisonment in a county jail not exceeding one year.

(b) This section shall not apply to any of the following:

(1) The manufacture in this state, or importation into this state, of any prototype pistol, revolver, or other firearm capable of being concealed upon the person when the manufacture or importation is for the sole purpose of allowing an independent laboratory certified by the Department of Justice pursuant to Section 32010 to conduct an independent test to determine whether that pistol, revolver, or other firearm capable of being concealed upon the person is prohibited by Sections 31900 to 32110, inclusive, and, if not, allowing the department to add the firearm to the roster of pistols, revolvers, and other firearms capable of being concealed upon the person that may be sold in this state pursuant to Section 32015.

(2) The importation or lending of a pistol, revolver, or other firearm capable of being concealed upon the person by employees or authorized agents of entities determining whether the weapon is prohibited by this section.

(3) Firearms listed as curios or relics, as defined in Section 478.11 of Title 27 of the Code of Federal Regulations.

(4) The sale or purchase of any pistol, revolver, or other firearm capable of being concealed upon the person, if the pistol, revolver, or other firearm is sold to, or purchased by, the Department of Justice, any police department, any sheriff's official, any marshal's office, the Youth and Adult Correctional Agency, the California Highway Patrol, any district attorney's office, or the military or naval forces of this state or of the United States for use in the discharge of their official duties. Nor shall anything in this section prohibit the sale to, or purchase by, sworn members of these agencies of any pistol, revolver, or other firearm capable of being concealed upon the person.

(c) Violations of subdivision (a) are cumulative with respect to each handgun and shall not be construed as restricting the application of any other law. However, an act or omission punishable in different ways by this section and other provisions of law shall not be punished under more than

one provision, but the penalty to be imposed shall be determined as set forth in Section 654.

32005. (a) Every person who is licensed as a manufacturer of firearms pursuant to Chapter 44 (commencing with Section 921) of Title 18 of the United States Code and who manufactures firearms in this state shall certify under penalty of perjury and any other remedy provided by law that every model, kind, class, style, or type of pistol, revolver, or other firearm capable of being concealed upon the person that the person manufactures is not an unsafe handgun as prohibited by Sections 31900 to 32110, inclusive.

(b) Every person who imports into the state for sale, keeps for sale, or offers or exposes for sale any firearm shall certify under penalty of perjury and any other remedy provided by law that every model, kind, class, style, or type of pistol, revolver, or other firearm capable of being concealed upon the person that the person imports, keeps, or exposes for sale is not an unsafe handgun as prohibited by Sections 31900 to 32110, inclusive.

32010. (a) Any pistol, revolver, or other firearm capable of being concealed upon the person manufactured in this state, imported into the state for sale, kept for sale, or offered or exposed for sale, shall be tested within a reasonable period of time by an independent laboratory certified pursuant to subdivision (b) to determine whether that pistol, revolver, or other firearm capable of being concealed upon the person meets or exceeds the standards defined in Section 31910.

(b) On or before October 1, 2000, the Department of Justice shall certify laboratories to verify compliance with the standards defined in Section 31910. The department may charge any laboratory that is seeking certification to test any pistol, revolver, or other firearm capable of being concealed upon the person pursuant to Sections 31900 to 32110, inclusive, a fee not exceeding the costs of certification.

(c) The certified testing laboratory shall, at the manufacturer's or importer's expense, test the firearm and submit a copy of the final test report directly to the Department of Justice along with a prototype of the weapon to be retained by the department. The department shall notify the manufacturer or importer of its receipt of the final test report and the department's determination as to whether the firearm tested may be sold in this state.

(d) (1) Commencing January 1, 2006, no center-fire semiautomatic pistol may be submitted for testing pursuant to Sections 31900 to 32110, inclusive, if it does not have either a chamber load indicator, or a magazine disconnect mechanism if it has a detachable magazine.

(2) Commencing January 1, 2007, no center-fire semiautomatic pistol may be submitted for testing pursuant to Sections 31900 to 32110, inclusive, if it does not have both a chamber load indicator and a magazine disconnect mechanism.

(3) Commencing January 1, 2006, no rimfire semiautomatic pistol may be submitted for testing pursuant to Sections 31900 to 32110, inclusive, if it has a detachable magazine, and does not have a magazine disconnect mechanism.

32015. (a) On and after January 1, 2001, the Department of Justice shall compile, publish, and thereafter maintain a roster listing all of the pistols, revolvers, and other firearms capable of being concealed upon the person that have been tested by a certified testing laboratory, have been determined not to be unsafe handguns, and may be sold in this state pursuant to this part. The roster shall list, for each firearm, the manufacturer, model number, and model name.

(b) (1) The department may charge every person in this state who is licensed as a manufacturer of firearms pursuant to Chapter 44 (commencing with Section 921) of Title 18 of the United States Code, and any person in this state who manufactures or causes to be manufactured, imports into the state for sale, keeps for sale, or offers or exposes for sale any pistol, revolver, or other firearm capable of being concealed upon the person in this state, an annual fee not exceeding the costs of preparing, publishing, and maintaining the roster pursuant to subdivision (a) and the costs of research and development, report analysis, firearms storage, and other program infrastructure costs necessary to implement Sections 31900 to 32110, inclusive.

(2) Any pistol, revolver, or other firearm capable of being concealed upon the person that is manufactured by a manufacturer who manufactures or causes to be manufactured, imports into the state for sale, keeps for sale, or offers or exposes for sale any pistol, revolver, or other firearm capable of being concealed upon the person in this state, and who fails to pay any fee required pursuant to paragraph (1), may be excluded from the roster.

(3) If a purchaser has initiated a transfer of a handgun that is listed on the roster as not unsafe, and prior to the completion of the transfer, the handgun is removed from the roster of not unsafe handguns because of failure to pay the fee required to keep that handgun listed on the roster, the handgun shall be deliverable to the purchaser if the purchaser is not otherwise prohibited from purchasing or possessing the handgun. However, if a purchaser has initiated a transfer of a handgun that is listed on the roster as not unsafe, and prior to the completion of the transfer, the handgun is removed from the roster pursuant to subdivision (d) of Section 32020, the handgun shall not be deliverable to the purchaser.

32020. (a) The Attorney General may annually retest up to 5 percent of the handgun models that are listed on the roster described in subdivision (a) of Section 32015.

(b) The retesting of a handgun model pursuant to subdivision (a) shall conform to the following:

(1) The Attorney General shall obtain from retail or wholesale sources, or both, three samples of the handgun model to be retested.

(2) The Attorney General shall select the certified laboratory to be used for the retesting.

(3) The ammunition used for the retesting shall be of a type recommended by the manufacturer in the user manual for the handgun. If the user manual for the handgun model makes no ammunition recommendation, the Attorney General shall select the ammunition to be used for the retesting. The

ammunition shall be of the proper caliber for the handgun, commercially available, and in new condition.

(c) The retest shall be conducted in the same manner as the testing prescribed in Sections 31900 and 31905.

(d) If the handgun model fails retesting, the Attorney General shall remove the handgun model from the roster maintained pursuant to subdivision (a) of Section 32015.

32025. A handgun model removed from the roster pursuant to subdivision (d) of Section 32020 may be reinstated on the roster if all of the following are met:

(b) The manufacturer pays the Department of Justice for all of the costs related to the reinstatement testing of the handgun model, including the purchase price of the handguns, prior to reinstatement testing.

(c) The reinstatement testing of the handguns shall be in accordance with subdivisions (b) and (c) of Section 32020.

(d) The three handgun samples shall be tested only once for reinstatement. If the sample fails it may not be retested.

(e) If the handgun model successfully passes testing for reinstatement, and if the manufacturer of the handgun is otherwise in compliance with Sections 31900 to 32110, inclusive, the Attorney General shall reinstate the handgun model on the roster maintained pursuant to subdivision (a) of Section 32015.

(f) The manufacturer shall provide the Attorney General with the complete testing history for the handgun model.

(g) Notwithstanding subdivision (a) of Section 32020, the Attorney General may, at any time, further retest any handgun model that has been reinstated to the roster.

32030. (a) A firearm shall be deemed to satisfy the requirements of subdivision (a) of Section 32015 if another firearm made by the same manufacturer is already listed and the unlisted firearm differs from the listed firearm only in one or more of the following features:

(1) Finish, including, but not limited to, bluing, chrome-plating, oiling, or engraving.

(2) The material from which the grips are made.

(3) The shape or texture of the grips, so long as the difference in grip shape or texture does not in any way alter the dimensions, material, linkage, or functioning of the magazine well, the barrel, the chamber, or any of the components of the firing mechanism of the firearm.

(4) Any other purely cosmetic feature that does not in any way alter the dimensions, material, linkage, or functioning of the magazine well, the barrel, the chamber, or any of the components of the firing mechanism of the firearm.

(b) Any manufacturer seeking to have a firearm listed under this section shall provide to the Department of Justice all of the following:

(1) The model designation of the listed firearm.

(2) The model designation of each firearm that the manufacturer seeks to have listed under this section.

(3) A statement, under oath, that each unlisted firearm for which listing is sought differs from the listed firearm only in one or more of the ways identified in subdivision (a) and is in all other respects identical to the listed firearm.

(c) The department may, in its discretion and at any time, require a manufacturer to provide to the department any model for which listing is sought under this section, to determine whether the model complies with the requirements of this section.

32100. (a) Article 4 (commencing with Section 31900) and Article 5 (commencing with Section 32000) shall not apply to a single-action revolver that has at least a five-cartridge capacity with a barrel length of not less than three inches, and meets any of the following specifications:

Article 2. Permit for Short-Barreled Rifle or Short-Barreled Shotgun

33300. The permit shall be open to inspection by any peace officer or any other person designated by the authority issuing the permit.

(b) Every short-barreled rifle or short-barreled shotgun possessed pursuant to the provisions of this article shall bear a unique identifying number. A permit issued in accordance with this article may be revoked by the issuing authority at any time, when it appears that the need for the short-barreled rifles or short-barreled shotguns has ceased or that the holder of the permit has used the short-barreled rifles or short-barreled shotguns for purposes other than those allowed by the permit or that the holder of the permit has not exercised great care in retaining custody of any weapons possessed under the permit.

33320. (a) Except as provided in subdivision (b), the Department of Justice shall, for every person, firm, or corporation to whom a permit is issued pursuant to this article, annually conduct an inspection for security and safe storage purposes, and to reconcile the inventory of short-barreled rifles and short-barreled shotguns.

(b) A person, firm, or corporation with an inventory of fewer than five devices that require any Department of Justice permit shall be subject to an inspection for security and safe storage purposes, and to reconcile inventory, once every five years, or more frequently if determined by the department.

(c) The manufacture, possession, transportation, or sale or other transfer of silencers to an entity described in subdivision (a) by dealers or manufacturers registered under Chapter 53 (commencing with Section 5801) of Title 26 of the United States Code and the regulations issued pursuant thereto.

DIVISION 11. FIREARM IN CUSTODY OF COURT OR LAW
ENFORCEMENT AGENCY OR SIMILAR SITUATION

CHAPTER 1. PROCEDURE FOR TAKING FIREARM INTO CUSTODY

33800. (a) When a firearm is taken into custody by a law enforcement officer, the officer shall issue the person who possessed the firearm a receipt describing the firearm, and listing any serial number or other identification on the firearm.

(b) The receipt shall indicate where the firearm may be recovered, any applicable time limit for recovery, and the date after which the owner or possessor may recover the firearm pursuant to Chapter 2 (commencing with Section 33850).

(c) Nothing in this section is intended to displace any existing law regarding the seizure or return of firearms.

CHAPTER 2. RETURN OR TRANSFER OF FIREARM IN CUSTODY OR CONTROL
OF COURT OR LAW ENFORCEMENT AGENCY

33850. (a) Any person who claims title to any firearm that is in the custody or control of a court or law enforcement agency and who wishes to have the firearm returned shall make application for a determination by the Department of Justice as to whether the applicant is eligible to possess a firearm. The application shall include the following:

(1) The applicant's name, date and place of birth, gender, telephone number, and complete address.

(2) Whether the applicant is a United States citizen. If the applicant is not a United States citizen, the application shall also include the applicant's country of citizenship and the applicant's alien registration or I-94 number.

(3) If the firearm is a handgun, the firearm's make, model, caliber, barrel length, handgun type, country of origin, and serial number.

(4) For residents of California, the applicant's valid California driver's license number or valid California identification card number issued by the Department of Motor Vehicles. For nonresidents of California, a copy of the applicant's military identification with orders indicating that the individual is stationed in California, or a copy of the applicant's valid driver's license from the applicant's state of residence, or a copy of the applicant's state identification card from the applicant's state of residence. Copies of the documents provided by non-California residents shall be notarized.

(5) The name of the court or law enforcement agency holding the firearm.

(6) The signature of the applicant and the date of signature.

(7) Any person furnishing a fictitious name or address or knowingly furnishing any incorrect information or knowingly omitting any information required to be provided for the application, including any notarized information pursuant to paragraph (4), shall be guilty of a misdemeanor.

(b) A person who owns a firearm that is in the custody of a court or law enforcement agency and who does not wish to obtain possession of the firearm, and the firearm is an otherwise legal firearm, and the person otherwise has right to title of the firearm, shall be entitled to sell or transfer title of the firearm to a licensed dealer.

(c) Any person furnishing a fictitious name or address, or knowingly furnishing any incorrect information or knowingly omitting any information required to be provided for the application, including any notarized information pursuant to paragraph (4) of subdivision (a), is punishable as a misdemeanor.

33855. No law enforcement agency or court that has taken custody of any firearm may return the firearm to any individual unless the following requirements are satisfied:

(a) The individual presents to the agency or court notification of a determination by the department pursuant to Section 33865 that the person is eligible to possess firearms.

(b) If the agency or court has direct access to the Automated Firearms System, the agency or court has verified that the firearm is not listed as stolen pursuant to Section 11108, and that the firearm has been recorded in the Automated Firearms System in the name of the individual who seeks its return.

(c) If the firearm has been reported lost or stolen pursuant to Section 11108, a law enforcement agency shall notify the owner or person entitled to possession pursuant to Section 11108.5. However, that person shall provide proof of eligibility to possess a firearm pursuant to Section 33865.

(d) Nothing in this section shall prevent the local law enforcement agency from charging the rightful owner or person entitled to possession of the firearm the fees described in Section 33880. However, an individual who is applying for a background check to retrieve a firearm that came into the custody or control of a court or law enforcement agency pursuant to Section 33850 shall be exempt from the fees in Section 33860, provided that the court or agency determines the firearm was reported stolen to a law enforcement agency prior to the date the firearm came into custody or control of the court or law enforcement agency, or within five business days of the firearm being stolen from its owner. The court or agency shall notify the Department of Justice of this fee exemption in a manner prescribed by the department.

33860. (a) The Department of Justice shall establish a fee of twenty dollars (\$20) per request for return of a firearm, plus a three-dollar (\$3) charge for each additional handgun being processed as part of the request to return a firearm, to cover its costs for processing firearm clearance determinations submitted pursuant to this chapter.

(b) The fees collected pursuant to subdivision (a) shall be deposited into the Dealers' Record of Sale Special Account.

(c) The department may increase the fee by using the California Consumer Price Index as compiled and reported by the California Department of

Industrial Relations to determine an annual rate of increase. Any fee increase shall be rounded to the nearest dollar.

33865. (a) When the Department of Justice receives a completed application pursuant to Section 33850 accompanied by the fee required pursuant to Section 33860, it shall conduct an eligibility check of the applicant to determine whether the applicant is eligible to possess a firearm.

(b) The department shall have 30 days from the date of receipt to complete the background check, unless the background check is delayed by circumstances beyond the control of the department. The applicant may contact the department to inquire about the reason for a delay.

(c) If the department determines that the applicant is eligible to possess the firearm, the department shall provide the applicant with written notification that includes the following:

(1) The identity of the applicant.

(2) A statement that the applicant is eligible to possess a firearm.

(3) If the firearm is a handgun, a description of the handgun by make, model, and serial number.

(d) If the firearm is a handgun, the department shall enter a record of the handgun into the Automated Firearms System.

(e) If the department denies the application, and the firearm is an otherwise legal firearm, the department shall notify the applicant of the denial and provide a form for the applicant to use to sell or transfer the firearm to a licensed dealer. The applicant may contact the department to inquire about the reason for the denial.

33870. (a) If a law enforcement agency determines that the applicant is the legal owner of any firearm deposited with the agency, that the applicant is prohibited from possessing any firearm, and that the firearm is an otherwise legal firearm, the applicant shall be entitled to sell or transfer the firearm to a licensed dealer.

(b) If the firearm has been lost or stolen, the firearm shall be restored to the lawful owner pursuant to Section 11108.5 upon the owner's identification of the firearm, proof of ownership, and proof of eligibility to possess a firearm pursuant to Section 33865.

(c) Nothing in this section shall prevent the local law enforcement agency from charging the rightful owner of the firearm the fees described in Section 33880.

33875. Notwithstanding any other provision of law, no law enforcement agency or court shall be required to retain a firearm for more than 180 days after the owner of the firearm has been notified by the court or law enforcement agency that the firearm has been made available for return. An unclaimed firearm may be disposed of after the 180-day period has expired.

33880. (a) A city, county, or city and county, or a state agency may adopt a regulation, ordinance, or resolution imposing a charge equal to its administrative costs relating to the seizure, impounding, storage, or release of a firearm.

(b) The fee under subdivision (a) shall not exceed the actual costs incurred for the expenses directly related to taking possession of a firearm, storing

the firearm, and surrendering possession of the firearm to a licensed firearms dealer or to the owner.

(c) The administrative costs described in subdivisions (a) and (b) may be waived by the local or state agency upon verifiable proof that the firearm was reported stolen at the time the firearm came into the custody or control of the law enforcement agency.

(d) The following apply to any charges imposed for administrative costs pursuant to this section:

(1) The charges shall only be imposed on the person claiming title to the firearm.

(2) Any charges shall be collected by the local or state authority only from the person claiming title to the firearm.

(3) The charges shall be in addition to any other charges authorized or imposed pursuant to this code.

(4) No charge may be imposed for any hearing or appeal relating to the removal, impound, storage, or release of a firearm, unless that hearing or appeal was requested in writing by the legal owner of the firearm. In addition, the charge may be imposed only upon the person requesting that hearing or appeal.

(e) No costs for any hearing or appeal related to the release of a firearm shall be charged to the legal owner who redeems the firearm, unless the legal owner voluntarily requests the post-storage hearing or appeal. No city, county, city and county, or state agency shall require a legal owner to request a post-storage hearing as a requirement for release of the firearm to the legal owner.

33885. In a proceeding for the return of a firearm seized and not returned pursuant to this chapter, where the defendant or cross-defendant is a law enforcement agency, the court shall award reasonable attorney's fees to the prevailing party.

33890. Notwithstanding Section 11106, the Department of Justice may retain personal information about an applicant in connection with a claim under this chapter for a firearm that is not a handgun, to allow for law enforcement confirmation of compliance with this chapter. The information retained may include personal identifying information regarding the individual applying for the clearance, but may not include information that identifies any particular firearm that is not a handgun.

33895. Section 27545 does not apply to deliveries, transfers, or returns of firearms made pursuant to this chapter.

CHAPTER 3. FIREARMS THAT ARE UNCLAIMED, ABANDONED, OR SUBJECT TO DESTRUCTION

34000. (a) Notwithstanding any provision of law or of any local ordinance to the contrary, when any firearm is in the possession of any officer of the state, or of a county, city, or city and county, or of any campus of the University of California or the California State University, and the

firearm is an exhibit filed in any criminal action or proceeding which is no longer needed or is unclaimed or abandoned property, which has been in the possession of the officer for at least 180 days, the firearm shall be sold, or destroyed, as provided for in Sections 18000 and 18005.

(b) This section does not apply to any firearm in the possession of the Department of Fish and Game, or which was used in the violation of any provision in the Fish and Game Code, or any regulation under that code.

34005. (a) (1) An officer having custody of any firearm that may be useful to the California National Guard, the Coast Guard Auxiliary, or to any military or naval agency of the federal or state government, including, but not limited to, the California National Guard military museum and resource center, may, upon the authority of the legislative body of the city, city and county, or county by which the officer is employed and the approval of the Adjutant General, deliver the firearm to the commanding officer of a unit of the California National Guard, the Coast Guard Auxiliary, or any other military agency of the state or federal government, in lieu of destruction as required by any of the provisions listed in Section 16580.

(2) The officer delivering a firearm pursuant to this subdivision shall take a receipt for it, which contains a complete description of the firearm, and shall keep the receipt on file in his or her office as a public record.

(b) Any law enforcement agency that has custody of any firearms, or any parts of any firearms, which are subject to destruction as required by any of the provisions listed in Section 16580, may, in lieu of destroying the weapons, retain and use any of them as may be useful in carrying out the official duties of the agency. Alternatively, upon approval of a court, the agency may do either of the following:

(1) Release the weapons to any other law enforcement agency for use in carrying out the official duties of that agency.

(2) Turn over to the criminalistics laboratory of the Department of Justice or the criminalistics laboratory of a police department, sheriff's office, or district attorney's office, any weapons that may be useful in carrying out the official duties of the respective agencies.

(c) (1) Any firearm, or part of any firearm, which, rather than being destroyed, is used for official purposes pursuant to this section, shall be destroyed by the agency using the weapon when it is no longer needed by the agency for use in carrying out its official duties.

(2) Firearms or weaponry donated to the California National Guard military museum and resource center may be disposed of pursuant to Section 179 of the Military and Veterans Code.

(d) (1) Any law enforcement agency that has custody of any firearms, or any parts of any firearms, which are subject to destruction as required by any of the provisions listed in Section 16580, may, in lieu of destroying the firearms, obtain an order from the superior court directing the release of the firearms to the sheriff.

(2) The sheriff shall enter those weapons into the Automated Firearms System (AFS), via the California Law Enforcement Telecommunications System, with a complete description of each weapon, including the make,

type, category, caliber, and serial number of the firearms, and the name of the academy receiving the weapon entered into the AFS miscellaneous field.

(3) The sheriff shall then release the firearms to the basic training academy certified by the Commission on Peace Officer Standards and Training, so that the firearms may be used for instructional purposes in the certified courses. All firearms released to an academy shall be under the care, custody, and control of the particular academy.

(4) Any firearm, or part of any firearm, which is not destroyed, and is used for the purposes authorized by this section, shall be returned to the law enforcement agency that had original custody of the firearm when it is no longer needed by the basic training academy, or when the basic training academy is no longer certified by the commission.

(5) When those firearms are returned, the law enforcement agency to which the firearms are returned, shall on the date of the return, enter into the Automated Firearms System (AFS), via the California Law Enforcement Telecommunications System, a complete description of each weapon, including the make, type, category, caliber, and serial number of the firearms, and the name of the entity returning the firearm.

34010. Any law enforcement agency that retains custody of any firearm pursuant to Section 34005, or that destroys a firearm pursuant to Sections 18000 and 18005, shall notify the Department of Justice of the retention or destruction. This notification shall consist of a complete description of each firearm, including the name of the manufacturer or brand name, model, caliber, and serial number.

DIVISION 12. MISCELLANEOUS DUTIES OF THE DEPARTMENT OF JUSTICE

CHAPTER 1. MISCELLANEOUS REPORTS AND PUBLICATIONS

34200. The Attorney General shall provide the Legislature on or before April 15 of each year, commencing in 1998, a written report on the specific types of firearms used in the commission of crimes based upon information obtained from state and local crime laboratories. The report shall include all of the following information regarding crimes in which firearms were used:

(a) A description of the relative occurrence of firearms most frequently used in the commission of violent crimes, distinguishing whether the firearms used were handguns, rifles, shotguns, assault weapons, or other related types of weapons.

(b) A description of specific types of firearms that are used in homicides or street gang and drug trafficking crimes.

(c) The frequency with which stolen firearms were used in the commission of the crimes.

(e) Any trends of importance such as those involving specialized ammunition or firearms modifications, such as conversion to a fully automatic weapon, removal of serial number, shortening of barrel, or use of a suppressor.

34205. (a) The Department of Justice shall prepare a pamphlet that summarizes California firearms laws as they pertain to persons other than law enforcement officers or members of the armed services.

(b) The pamphlet shall include the following matters:

- (1) Lawful possession.
- (2) Licensing procedures.
- (3) Transportation and use of firearms.
- (4) Acquisition of hunting licenses.
- (5) The safe handling and use of firearms.
- (6) Various methods of safe storage and child proofing of firearms.
- (7) The availability of firearms safety programs and devices.
- (8) The responsibilities of firearms ownership.
- (9) The operation of various types of firearms.
- (10) The lawful use of deadly force.

(c) The department shall offer copies of the pamphlet at actual cost to firearms dealers licensed pursuant to Sections 26700 to 26915, inclusive, who shall have copies of the most current version available for sale to retail purchasers or transferees of firearms. The cost of the pamphlet, if any, may be added to the sale price of the firearm. Other interested parties may purchase copies directly from the Department of General Services.

(d) The pamphlet shall declare that it is merely intended to provide a general summary of laws applicable to firearms and is not designed to provide individual guidance for specific areas. Individuals having specific questions shall be directed to contact their local law enforcement agency or private counsel.

(e) The Department of Justice or any other public entity shall be immune from any liability arising from the drafting, publication, or dissemination of the pamphlet or any reliance upon it. All receipts from the sale of these pamphlets shall be deposited as reimbursements to the support appropriation for the Department of Justice.

CHAPTER 2. BALLISTICS IDENTIFICATION SYSTEM

34350. (a) The Attorney General shall conduct a study to evaluate ballistics identification systems to determine the feasibility and potential benefits to law enforcement of utilizing a statewide ballistics identification system capable of maintaining a database of ballistic images and information from test fired and sold firearms. The study shall include an evaluation of ballistics identification systems currently used by state and federal law enforcement agencies and the firearms industry. The Attorney General shall consult with law enforcement agencies, firearms industry representatives,

private technology providers, and other appropriate parties in conducting the study.

(b) In evaluating ballistics identification systems to determine the feasibility of utilizing a statewide system as required pursuant to subdivision (a), the Attorney General shall consider, at a minimum, the following:

(1) The development of methods by which firearm manufacturers, importers, and dealers may potentially capture ballistic images from firearms prior to sale in California and forward that information to the Attorney General.

(2) The development of methods by which the Attorney General will receive, store, and make available to law enforcement ballistic images submitted by firearm manufacturers, importers, and dealers prior to sale in California.

(3) The potential financial costs to the Attorney General of implementing and operating a statewide ballistics identification system, including the process for receipt of information from firearm manufacturers, importers, and dealers.

(4) The capability of a ballistics identification system maintaining a database of ballistic images and information from test fired firearms for all firearms sold in California.

(5) The compatibility of a ballistics identification system with ballistics identification systems that are currently used by law enforcement agencies in California.

(6) A method to ensure that state and local law enforcement agencies can forward ballistic identification information to the Attorney General for inclusion in a statewide ballistics identification system.

(7) The feasibility and potential benefits to law enforcement of requiring firearm manufacturers, importers, and dealers to provide the Attorney General with ballistic images from any, or a selected number of, test fired firearms prior to the sale of those firearms in California.

(c) The Attorney General shall submit a report to the Legislature with the results of the study not later than June 1, 2001. In the event the report includes a determination that a ballistics identification system and database is feasible and would benefit law enforcement, the report shall also recommend a strategy for implementation.

34355. (a) Section 34350 does not apply to any sale, delivery, or transfer of firearms made to an authorized law enforcement representative of any city, county, city and county, or state, or of the federal government, for exclusive use by that governmental agency if, prior to the sale, delivery, or transfer of these firearms, written authorization from the head of the agency authorizing the transaction is presented to the person from whom the purchase, delivery, or transfer is being made.

(b) Proper written authorization is defined as verifiable written certification from the head of the agency by which the purchaser or transferee is employed, identifying the employee as an individual authorized to conduct the transaction, and authorizing the transaction for the exclusive use of the agency by which that person is employed.

(c) Within 10 days of the date a handgun is acquired by the agency, a record of the same shall be entered as an institutional weapon into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) by the law enforcement or state agency. Any agency without access to AFS shall arrange with the sheriff of the county in which the agency is located to input this information via this system.

34360. Section 34350 does not apply to the loan of a firearm if all of the following conditions are satisfied:

(a) The loan is made by an authorized law enforcement representative of a city, county, or city and county, or of the state or federal government.

(b) The loan is made to a peace officer employed by that agency and authorized to carry a firearm.
